

World Archaeology Seminars – "Future Archaeology: Fragile Past" Lecture Series

Between Strikes and Memory, Stagnation and Hesitant Restoration

Laure Salloum, Directorate General of Antiquities of Lebanon (DGA)

This lecture invites reflection on the impact of conflict on both archaeological heritage and lived spaces of memory, focusing on Baalbek (Lebanon) to show how the destruction of sites like Al-Manshiyya reveals the deep social and emotional value of places beyond their monumental.

REGISTRATION Until 23.03.2026: maria.danna@oeaw.ac.at
